Research and Innovation
Stritch School of Medicine strives to be a leader in medical education. This aspiration allows us to not only maintain excellence in education for our students but challenges us to reach beyond the palpable present and into the endless possibilities.

We will present to you a variety of examples illuminating Stritch on the forefront of medical education. During the first hour, we will focus on four examples of current medical education and research. During the second hour, we will focus on four innovative tools we employ to advance educational delivery to our students.

Accreditation
The Loyola University Chicago Stritch School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Loyola University Chicago Stritch School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
